Date: 13th March, 2026

To Whom It May Concern

This is to verify that Mr. Roshik Maharjan (ID No. IT IT 12407/NP) has undergone his Internship Program from 3rd December, 2025 to 27th February, 2026 at Fusemachines Nepal Pvt. Ltd. During this period, he worked as an Intern in the Services App Engineering Department.

His core responsibilities as an Intern were as follows:

- Contribute to the full lifecycle of web application development, from concept to deployment and maintenance, utilizing JavaScript frameworks like React and Express.
- Develop and implement user-friendly interfaces using HTML, CSS, and JavaScript.
- Build and maintain robust server-side applications with Node.js, Express, Nest.js.
- Collaborate closely with senior developers to write clean, efficient, and scalable code for both client and server components.
- Assist in the design and implementation of RESTful APIs to facilitate seamless communication between frontend and backend systems.
- Gain practical experience integrating with various databases, including both SQL and NoSQL solutions.
- Participate in structured training programs designed to enhance technical skills and industry knowledge.
- Actively contribute to the execution of ongoing projects under the guidance of senior team members.
- Proactively manage assigned tasks, providing regular updates on progress to the technical team lead or supervisor.

His presence was appreciated at the office. We wish him all the luck for his future endeavors.

Sincerely,

Salvi Shrestha
Sr. HR Manager
Fusemachines Nepal Pvt. Ltd.
